Brightcart Customer Policies — Shipping & Delivery

Delivery Timelines

Delivery times depend on your location and the shipping method chosen at checkout.

Standard Delivery

- Metro cities (Delhi, Mumbai, Bengaluru, Chennai, Kolkata, Hyderabad, Pune, Ahmedabad): **3-5 business days**
- Other cities and towns: **5-7 business days**
- Remote or rural pin codes: **7-10 business days**

Express Delivery

- Available in select metro and tier-1 cities.
- Delivers in **1-2 business days**.
- Adds **₹99** at checkout, shown only if available for your pin code.

Business days exclude Sundays and public holidays. Delivery estimates appear on the product page and again at checkout, based on your delivery pin code.

Shipping Charges

- **Free shipping** on orders above **₹499**.
- Orders below **₹499** carry a flat **₹49** shipping fee.
- Express delivery adds **₹99** on top of any applicable shipping fee.
- Furniture and other bulky items may carry a separate logistics fee, shown at checkout before payment.

Tracking Your Order

- 1 Go to **My Orders**.
- 2 Select the order you want to track.
- 3 View the current status — **Placed** → **Shipped** → **Delivered** — along with courier details and a tracking link once the order ships.

You'll also get SMS, email, and app notifications at each stage.

Delivery Failure or Delay

If a delivery attempt fails (you're unavailable, address issue, etc.):

- Our courier partner attempts delivery up to **2 more times** over the following 2-3 business days.
- You're notified before each attempt so you can update instructions where possible.

- If all 3 attempts fail, the order returns to our warehouse, and you're offered a **reship** or a **full refund** to your original payment method (5-7 business days).

If your order is delayed beyond its estimated window:

- Check the tracking page for the latest courier update.
- If there's no movement for more than 2 business days, contact support and we'll investigate with the courier partner.

Cancelling Before Shipping

You can cancel an order for free as long as its status is still **Placed** — i.e., it hasn't been handed to the courier yet. Once the status changes to **Shipped**, the order can no longer be cancelled through the app; you'll need to wait for delivery and then request a return instead. See the Order Cancellation Policy for full details.

Address Changes

Your delivery address can only be edited while the order status is **Placed**. Once an order ships, the address can't be changed since it's already in transit.
